ECLIPSE 2 ELITE

LITHIUM WALK-BEHIND REEL MOWER

Featuring a traction drum and front roller that carry the full weight of the mower and basket, ensuring the cutting head is allowed to fully float, unaffected by the weight of the mower or grass basket.

With zero fumes and harmful fluids, the electric powertrain will never leave a mark behind.

Personalize the all-electric walking mower with countless accessory options, like reels, rollers, bedknife options, verticutter, groomer, fine bristle brush.
